SEASONAL SELECTION

For something a bit different, here's a selection of carefully chosen wines that reflect the fashions and tastes of the season. Give them a go and enjoy.....

A PAIR OF FANTASTIC 'WINTERY' REDS

Mr Goose Cabernet Merlot

Bottle 75cl 19.95

Glass 125ml 3.70

(Australia) Yes, a wine called 'Mr Goose'...carefully reared by Berton Vineyards in South East Australia! This is a big, smooth hug of a red where generous blackberry fruits and juicy cassis meet in delicious silky tandem.

Delicious to sip a glass on its' own or a great pair with red meat dishes like steaks or a gorgeous Sunday roast beef.

In Situ Pinot Noir Reserva

Bottle 75cl 24.95

Glass 125ml 4.65

(Chile) Not all wintery red wines need to be big and hearty, especially when the likes of turkey, pork and game will feature on the menu.

This perfectly poised Pinot Noir from the Aconcagua Valley is incredibly pleasing to the palate...black cherry and floral notes linger throughout to the soft and gentle finish.

A real gem for this season's dishes.
