# TEA SELECTION

---

Choose from our selection of Brew Tea Co. loose leaf teas

## **ENGLISH BREAKFAST**

The tasty richness of Indian Assam coupled with the refreshment of a Ceylon is the perfect blend to wake up to.

## **EARL GREY**

There aren't many things more refreshing than a cup of Earl Grey. Brew Tea never use flavour granules on their leaves, so our brews taste less like hot perfume, and more like tea.

## **YUNNAN GREEN**

Yunnan Green is all about the balance - loads of flavour and minimal bitterness. It's a seasonal thing so we taste a lot, but it's always a Yunnan as we love the hoppy, summer greens.

## **MOROCCAN MINT**

The best things are often the simplest – a blend of strong gunpowder green tea with a super minty peppermint. Absolutely smashing when you need something lively and refreshing.

## **CHAI**

A classic Chai is spicy, sweet and milky. This awesome blend of Assam tea and masala mix.

## **LEMON & GINGER**

No granules, just an excellent mix of spice and citrus.

## **APPLE & BLACKBERRY**

This blend reminds us of autumn country walks – think berry stained hands and a great crumble. We've packed in chunky apple pieces with loads of jammy fruit for a cup that's sweet, tart and warming.

**Decaffeinated tea and selection of coffees are available on request.**
